Reviver championed

WANNEROO councillor Rudi Steffens has been recognised for his work with the Driver Reviver Program in Two Rocks.

He was named a local safety champion at an Injury Control Council of WA breakfast last week, to mark Community Safety Month.

The driver reviver station was created on Wanneroo Road in Two Rocks 10 years ago in 1999.

Cr Steffens, who also chairs the RoadWise Working Group, continues to co-ordinate the program after helping to establish it.
